Team Leader Group Reporting

Reference: CH02148

Type: Permanent
Location: Western Europe, Zurich
Industry: Insurance

Description:

In this position you will lead one of two teams within the IFRS-focused Group Reporting function at Zurich Insurance Group in Zurich.You will be setting the scene for the reporting of all subsidiaries of the Group as well as preparing the Group's financial reporting to the public on a quarterly basis. Your team focusses mainly on the insurance technical side of accounting and reporting under IFRS as well as on some additional topics such as IAS 19 and IFRS 2.Apart from the continuous improvement of the Group's accounting and reporting quality and the production of the Groups IFRS disclosure, you will be involved in reporting related projects as the representative of the Group in terms of insurance accounting.

The main requirements are a sound IFRS accounting and reporting knowledge as well as a deep understanding of the insurance industry, its products and its actuarial and accounting processes. Additionally, as you will lead a team of 5, meaning proven people management skills are required.The successful candidate must hold a University Degree in economics and/or business administration. A practical financial accounting experience of at least 5 years within the insurance industry (either within an insurance company or external audit) would ideally help you to fulfill the requirements of this position. Holding a professional accounting qualification is a essential for this role. The position requires strongly developed problem solving and excellent analytical skills, excellent written, visual, and verbal communication skills and a focus on accuracy and excellence. Furthermore you must possess a very precise and thorough working style as well as the willingness to work long hours during peak times. You must possess excellent MS Office skills (especially Excel). SAP knowledge is a plus. The suitable candidate must be able to speak and write English fluently. If you prefer to work in an international, multi-cultural environment where you can take over responsibility and shape the accounting and reporting of Zurich Insurance Group then we look forward to your online application in English.
